DR STEVE RAYMOND
MB BS FRANZCOG DDU

Newcastle Ultrasound provides specialised diagnostic ultrasound for women. Our commitment to scanning excellence means that we invest in the most up-to-date technology and continuing education that is specific to gynaecology, obstetrics and infertility, for complete and accurate diagnosis.

Our practice has a philosophy of individualised care. Your scans will be reviewed by a specialist gynaecologist who, at the time of your scan, will go over your results and give you the opportunity to ask questions.

PLEASE CALL 02 4957 3899 TO MAKE YOUR APPOINTMENT.
